ARB
4X4 ACCESSORIES

Suzuki Accessories

For the adventurer, the family of travellers or the hardworking tradie, whoever you may be, ARB will be there every step of your journey, offering you the highest calibre 4x4 accessories on the market.

With an unrelenting commitment to innovation and engineering excellence, an extensive network of retail outlets and workshops around the country, and exceptional aftersales support, you can be assured you're getting quality products, reliable service and sound advice.

Protection Equipment

OUR PROTECTION GEAR HAS BEEN DESIGNED FOR MAXIMUM STRENGTH, STYLE AND PRACTICALITY.

Vehicle protection is one of the main priorities for owners of 4WDs and commercial vehicles. Bull bars, rear bars and side rails and steps will help prevent expensive panel damage, especially when heading off road, as well as providing a solid base on which to mount a range of accessories like winches, driving lights and antennas. Like all of our products, our protection gear has been designed for maximum strength, style and practicality.

Summit Bull Bar

Built on ARB's tradition of pioneering innovation and bringing a fresh, contemporary design for modern-day vehicles, the ARB Summit bull bar uses press-forming technology to deliver the ultimate in strength and aesthetics. Compatible with the latest vehicle safety systems and encompassing a range of practical features including provision for driving lights, communication antennas and electric winch models, as well as protection against corrosion, the ARB Summit bull bar represents the pinnacle in frontal protection. The Suzuki Jimny Summit bull bar comes standard in Integrit powder (textured) finish and is not available for colour-coding.

Rock Sliders

ARB Rock Sliders have been specifically designed for the MY19 Jimny and are located in parallel to the vehicle to provide protection to its vulnerable sills.

The 60.3mm tubing is made from durable steel for maximum protection and is attached to the vehicle chassis by mounts that are engineered to support the vehicle's weight along the length of the slider.

Supplied in a durable Integrit textured black powder-coat finish. Integrit is not suitable for colour-coding.

Old Man Emu has been the choice of suspension for 4WDers for many years due to the outstanding ride performance it delivers over all road surfaces. Integrated suspension packages are available to improve ride, handling and load-carrying ability no matter what your requirements may be.

Nitrocharger Sport

Nitrocharger Sport shock absorbers are an integral part of Old Man Emu's suspension systems, providing a noticeable improvement every time the vehicle is driven. Built in Australia and trusted by 4WDers throughout the world, OME Nitrocharger Sport shock absorbers set the standard in fine tuning and ride comfort in any terrain, simply outperforming the competition.

Springs

Old Man Emu designs a range of springs, enabling the installer to match the most appropriate springs to the intended application. While ride height increases are attained, an emphasis is placed on ride control improvements.

Further fine tuning is achieved when the springs are matched to a corresponding set of Old Man Emu shock absorbers, delivering a fully integrated system, designed specifically to suit your vehicle.

Other Accessories

Air Locker

Designed and manufactured in Australia, ARB Air Lockers provide increased traction at the flick of a switch, whether it's rock, clay, sand, snow or mud. With a state-of-the-art two-piece design and an uncompromising approach to manufacturing, Air Lockers are distributed in over 100 countries worldwide and are the most trusted locking differential on the market.

Fridge Freezers

Developed specifically for off road use, ARB's range of fridge freezers offer uncompromising performance, making them the perfect companion for off road travel, giving you the convenience of cold food and drinks, with rapid cooling and low power consumption. The range comes in a variety of convenient sizes, as well as offering dual- and single-zone options:

ZERO Fridge Freezers:

36L Single Zone, 44L Single Zone, 60L Single Zone, 69L Dual Zone and 96L Dual Zone

Classic Fridge Freezers:

35L, 47L, 60L, 78L

Elements Weatherproof

Fridge Freezer: 60L

Recovery Equipment

When travelling off road, reliable and durable recovery equipment is paramount. ARB offers a large range of recovery gear that will help get your vehicle out of any sticky situation. The range includes snatch straps, recovery kits, tree trunk protectors and cable dampers. ARB also supplies a range of electric winches and off road jacks.

Intensity LED Driving Lights

Engineered in Australia, ARB's Intensity LED driving lights have been designed and manufactured to specifically meet the demand of 4WDers around the world.

Submersible to three metres and vibration tested to military specifications, Intensity LED driving lights are available in traditional round sizes (AR21, AR32 and Solis) for standard bull bar mounting or as a light bar (AR40) for a unique integrated low-profile mount, suitable for both bull bars and roof racks. Spot, flood and combination beam patterns are available (model dependent).

LINX

LINX is a unique modern controller that declutters the dashboard and centralises the command of vehicle accessories by replacing classic switches, gauges and monitors with one sleek and smart driver interface. Built on an expandable platform, LINX will continue to evolve your on and off road driving experience both now and into the future.

Air Compressors

ARB air compressors are available in both portable and vehicle-mounted kits, and offer many advantages when exploring the great outdoors, such as inflating tyres and camping accessories, running air tools, activating Air Lockers, even reseating a tyre onto a wheel.
